

POCKET MEMO®
ANALOGUE

488

PROFESSIONAL DICTATION CAN BE SO EASY

With the Pocket Memo® 488, you can switch the microphone sensitivity from dictation to conference recording. And the special End-of-Letter Index tone helps identify saved recordings for efficient transcription.

Key Benefits

- End-of-Letter Index tone to indicate the start of each document and number of recordings
- Sensitivity Switch for conference or close-range recording
- Voice Activated Recording for hands-free dictation
- Fast access to any part of the tape with Turbo Wind

Additional Benefits

- Single-handed operation with 4-Position Switch
- Monitor Fast Forward and Rewind with Audible Scan
- Fast Erase enables swift deletion of confidential recordings
- Transport Lock avoids unintentional operation
- Visual Indicator/LED displays record status and low battery
- Audible End-of-Tape and Low Battery warning to avoid dictation loss
- Record Protection saves valuable dictation
- Adjust playback volume with Volume Control
- Automatic Gain Control adjusts to optimum recording level
- Internal recharging enables rechargeable batteries to be replenished during use
