HANGS ON YOUR EVERY WORD

The Dictation System 725 allows user-friendly dictation of professional quality. The author receives optimal support in his work. The LC display lists all the information needed to manage the workload, and the search function offers rapid access.

Key Benefits

- Fast return to the beginning of the tape with Auto Rewind
- Quick access to the start of the next job with Search Forward and Skip functions
- LCD Tape Counter shows information stored on cassette

Additional Benefits

- Fast access to any part of the tape with Turbo Wind
- Monitor Fast Forward and Rewind with Audible Scan
- Fast Erase enables swift deletion of confidential recordings
- Optimum transcription playback quality with Volume, Tone and Speed Controls
- Automatic Switch Off avoids unintentional operation
- Record Protection saves valuable dictation
- 2 Level Adjustable Microphone Sensitivity for conference or close range recordings
- Invaluable information for transcription with End-of-Letter, Priority and Special Instruction Index Tones

Can also be used as a dual function machine with additional accessories

- Pause transcription without missing a word with Auto Backspace Play
- Foot control enables hands-free transcription
